1941 TATTERL

BY THE SENIORS OF EMMAUS HIGH SCHOOL

Emmaus

The Theme Of . . .

This 1941 edition of the Tattler is based on *Preparedness*. We, the staff have attempted to portray that American youth as a whole is not tainted with isms other than Americanism.

In order to do this we have divided the annual into three books, each showing the true spirit of democracy as developed by the public school. Thus this nineteenth publication of the Tattler is based on *Preparedness*.

Preparedness . . .

Is the Keynote of the youth of the nation who are entering a new world. A world where the "free way of life" is being challenged—a world where the spread of brute force is increasing rapidly—a world where our livelihood is constantly being threatened.

The world's future is in our hands. We must and shall defend our "free way of life," that man may be free and unfettered by tyranny.

Expansion

Preparedness . . .

In Education . . .

That we may be guided by the light of knowledge, not the shadow of ignorance; thus, we shall see our way in the future more clearly, and with good faith in all mankind.

In Health . . .

That our bodies may be sound and our minds pure in the years to come. In this world in which we live there is a part which each one of us must play.

In Cooperation . . .

Should teach us to live with our fellow man that the spirit of fraternity and good will shall rule, not the theme of hate, and bitterness. We must continue the ways of democracy.

Board of School Directors

Education is the main barrier that can successfully oppose the evils of dictatorship and the inevitable censorship and brutal treatment that follow.

The board of school directors, which meets the first Thursday of every month in the council room of the Town Hall, is a symbol of that barrier which safeguards the American way of life. By means of progress in education we can combat all evil forces with success.

These seven citizens elected by the people of Emmaus to supervise the development of children in the Emmaus public schools have a task of immense importance. The board of school directors, subject to state regulation provides school supplies, improvement and care of the grounds and buildings, finances, and approves the curriculum. During the year 1941 the school board approved a new course in agriculture.

For the year 1941 the board approved a new course for the high school, which will deal with agricultural work. The course is just another example of the board's accomplishment in keeping abreast of the times.

Mr. Theodore R. Gardner is solicitor for the board.

Members of the board are

George S. Harwick, President

Claude H. Keller, Director

Edwin L. Muth, Vice President

Ralph W. Weidner, Director

Robert G. Stauffer, George S. Stephen, Albert B. Wieand

To the Class of '41

When you are buying some apparel you may not know exactly what style, color, or material you will select. While this may be important, however, the most important factor is that it will fit. Use the same common sense in selecting your vocation as you do in selecting your clothes

What are your interests? Which of the hundred and one things that make this world so fascinating arouse your enthusiasm? Find out what you can do and what you like to do so that you may select a vocation that gives your talents and interests full sway. After you have made your final decision, let no physical handicap block your progress

Demosthenes stuttered, but he stood by the edge of the sea and, with pebbles in his mouth, delivered soliloquies to the waves. Milton, who gave the world *Paradise Lost*, was blind. All the world bows to Helen Keller who, though deaf, dumb and blind, has accomplished miracles

David Starr Jordan said: "The world turns aside to let any man pass who knows whither he is going."

Best wishes for a successful career

Howard A. Neuger

It is a pleasure to greet you once more and express to you my best wishes for a happy and successful future

We have spent four happy years together, working, playing, and learning how to live. The manner in which we have worked, played, and lived in school will help to determine what the future shall be

The world is crying for responsible leadership and your community is expecting you to furnish some of it. This demands that you stick to the old fashioned principles of honesty, dependability, devotion to duty, and the determination to carry things through

Let us be leaders. Face the issues of life, think things through and properly evaluate them. Take a firm stand for that which is just and honorable. Bear your responsibility and be dependable in whatever position you may occupy and opportunity will always seek you out

The Class of 1941

We entered E. H. S. as Freshmen, one hundred fifty-five strong in 1937, young and eager for an education. In 1941 there are one hundred nine of us remaining.

As Freshmen we gradually became interested in various school activities, and in Spring, we decided to have a doggie roast at Weida's mill. This was held on June 7, with the class advisers as chaperones.

Vacation time quickly passed and we returned to school as Sophomores. Many of our classmates became active in sports and other school activities. The junior varsity teams were mainly composed of Sophomores. As the term drew to a close we decided to hold a "Spring Shag" to the music of Bull Weida and his gang.

As our first social function in our Junior year we sponsored the "Turkey Trot" on November 4. The Junior Prom, the biggest social event of the year, was held on April 12, at the Owls' Home with the Schaudt Brothers furnishing the music. To climax the Junior year we sponsored a dance on May 29 in honor of the 1940 graduating class. This year saw many members of the class elected to important extra-curricular positions, and participating in varsity sports.

Finally the portals of Seniority were opened and on October 25 we held a Hallowe'en Dance. Soon afterwards, on November 15, we demonstrated our dramatic ability by presenting, "Don't Take My Penny." During the Christmas vacation we held a "Belsmickel Hop," and on February 15, sponsored the "Cupid's Frolic." On April 14 we presented "Life Begins At Sixty." Next year, May 29, a Senior Ball will be held after graduation.

Other activities such as sports, musical and dramatic performances, club activities, and the publishing of the year book kept many of our classmates active throughout the year.

We reached our goal "Graduation"—and in the process have benefitted socially, and scholastically. We shall remember E. H. S. as a true example of democracy at work and play.

Football

Mediocre Record Established by Squad

The Green and Gold football team completed its 1940 football season with four victories, five defeats, and one tie. With the exception of the Palmerton game, the locals played a fine brand of ball, the opponents scoring only one touchdown more than the Moravian Boro lads. After losing four consecutive games the Hartman coached boys showed their willingness by displaying fighting spirit winning the next two contests and gaining a tie in the last game of the season.

The season opened with a veteran line reporting, however, no experienced backfield men returned from the preceding season. The boys inaugurated the season by handing the Allentown Junior Varsity a 14-0 setback. The next game the locals stuck up against

Northampton, Champions of the Lehigh Valley League. After Emmaus led throughout most of the game, a blocked punt enabled the Konkrete Kids to gain an 8-7 verdict. The following week the Slate Boro lads visited Emmaus, and were handed a decisive 19-0 defeat.

Failure to take advantage of the "breaks" caused a 10-0 loss to be inflicted upon the local lads by the Catasauquans. Lack of spirit on the part of the players played an important part in the 13-6 defeat given the local eleven by the Lehighton Indians. The undefeated Boyertown High team squeezed out a 12-6 victory on a muddy Emmaus field, and Palmerston's Blue Bombers trounced the local crew to the tune of 45-6. A touchdown in the

last minute of play enabled the Green and Gold to eke out a 6-0 victory over East Greenville High. The under-dog Emmaus High eleven gained a 6-0 decision over a strong Pocono Team from Stroudsburg in the annual Booster Day game. On a snow laden field Emmaus held the powerful Whitehall Zephyrs in the annual Turkey Day Clash to a 0-0 deadlock.

The basement room of St. Matthew's Evangelical Church was the place of the annual football banquet. The speakers were Alvin Julian and Jud Timm, Coaches of Muhlenberg and Moravian respectively, and Leo Prendergast, former Bethlehem High

coach. The Mary Deischer trophy was presented to Captain Walter Hauser as the team's most outstanding player, and the

Doctor Lichtenwalner trophy was shared by Russell Fellman and Richard McGinley, as the most improved players of the year. Harold Schantzenbach was awarded a football for being the outstanding player in the booster day game.

Only four seniors will be lost through graduation which leaves a great nucleus for next year's team. They are: Maynard Brensinger, Captain Walter Hauser, Roy Neitz and Henry Wetherhold.

Cagers Establish Impressive Record by Winning Second Half League Championship

Never to be forgotten will be the 1941 basketball team which captured the second half championship of the Lehigh Valley Inter scholastic League, a feat never before established by a former Emmaus team. The I... established a record of eighteen victories and seven defeats

The Green and Gold cagers got away to a poor start losing the first three contests to Moravian Prep, Allentown, and Central Catholic. They came back, however, to win the next four games over Lansdale, Central Catholic, Alumni, and South Whitehall

In the league opener the local quintet lost a 25-23 thriller to Palmerton on the latter's court. The next two games resulted in victories over Catasauqua and Lehighton. After suffering a defeat at the hands of Northampton the Green and Gold squad defeated Stroudsburg, lost to Whitehall, and then finished the first half league schedule with a victory over Slatington.

Coach Hartman feted his squad with a turkey dinner held at his home, at which the boys vowed to take the second half champion ship, and they did just that. They started the undefeated second half campaign with an encouraging 36-25 victory over Palmerton. Following this they squeezed out two wins over Catasauqua and Lehighton, handed

Coach Hartman

Captain Wetherhold

Northampton a 55-19 lacing, and were victorious over Stroudsburg, Whitehall, and Slatington to complete the undefeated second half

Smith Hall in Slatington was the scene of the championship tilt between Palmerton (first half champions) and Emmaus (second half champions). After a nip-and-tuck battle, the Palmerton boys came out on top, 32-27.

Following the league schedule the Hartman proteges were victorious over Moravian Prep, Central Catholic, and Millersburg Alumni.

In appreciation of the splendid playing of the Moravian Boro lads, the athletic association presented the boys with a banquet held at Trainers in Quakertown. Also, as a token of appreciation the Green and Gold boys were presented with their uniforms at the end of the season

Girls' Basketball

The Lassies completed their basketball campaign with eight wins and eight losses. After losing eight of the first eleven games the local sextet showed renewed strength with a five game winning streak to gain a 500 per cent average for the season.

They opened their season with a decisive 22-8 decision over the Moravian Prep Girls, and followed this with a 25-22 victory over Coopersburg. The girls, however, did not show their best form until the latter

part of the season when they defeated Coopersburg, Fountain Hill, Palmerton, and Moravian Prep.

Jane Ann Lobst and Hilda Kline are the only two lassies graduating.

The Junior Varsity squad which supplemented the seniority with experienced players in the front rows, completed the season with six wins and fourteen setbacks.

With practically the entire squad of the preceding year advancing to the varsity, Coach Humphreys had to start from "scratch" and did a good job considering this fact.

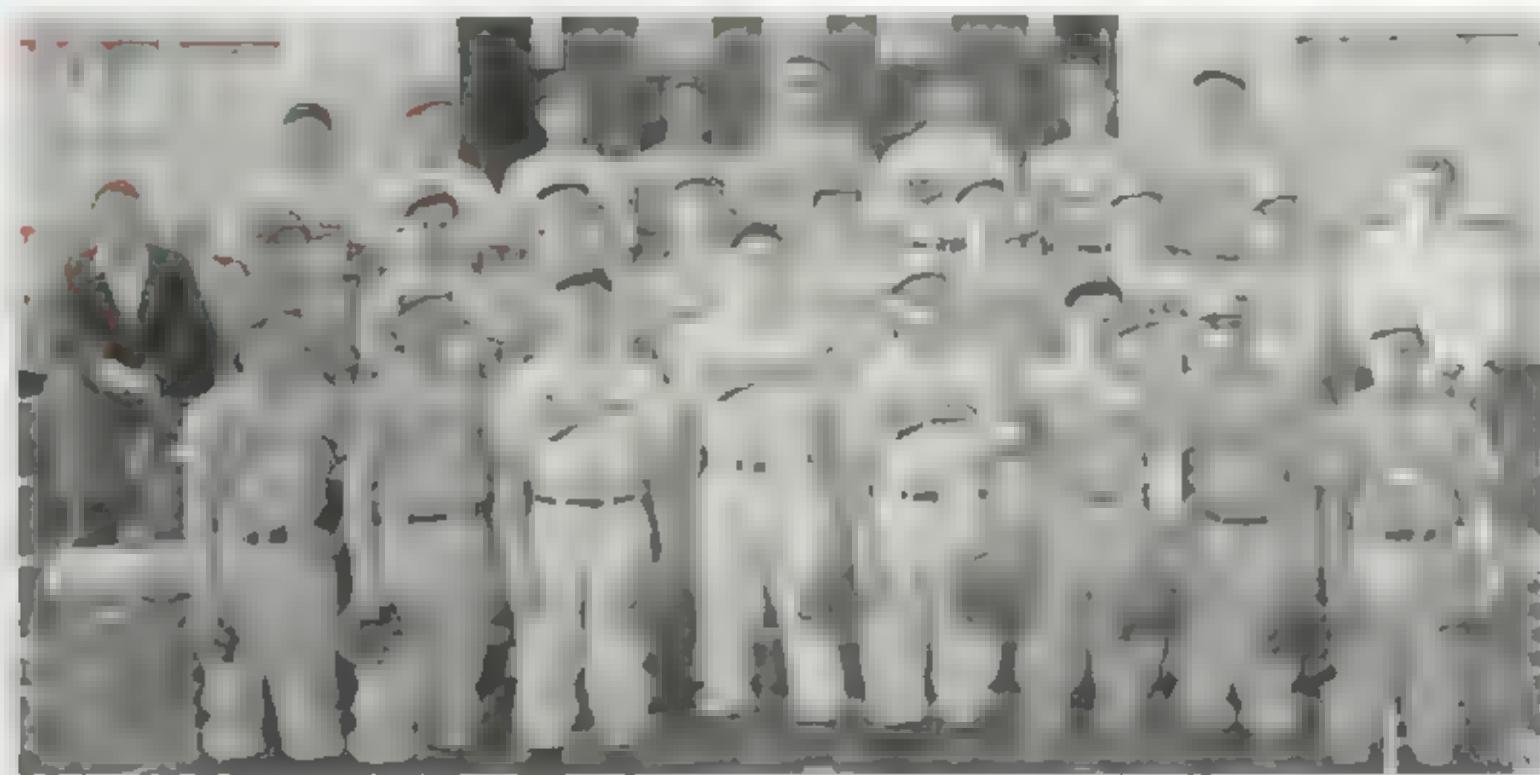

Since four members of this year's varsity are graduating, several members of this squad are due for varsity action next season.

Baseball

With ten members returning from last year's squad to form a nucleus, the Green and Gold baseball nine faced a twelve game schedule. In addition, twenty-seven inexperienced underclass men responded to Coach Hartman's call. Due to the wet condition of the Athletic field the locals were without outdoor practice at the beginning of the season. However, as the season progressed field conditions improved giving the Moravian Boro fans an opportunity to witness fine games in the 1933 baseball season.

The following members are leaving through graduation: Joseph Dwornak, Lynnwood Giering, Walter Hauser, Vincent Miller, Captain, and Henry Wetherhold.

Track

Forty-one candidates reported to Coach Schrader's call to form a team to engage in eight meets, only two being on the home field. To prepare for this schedule, the track men practiced strenuously, but were unable to practice out-of-doors due to inclement weather and because of the condition of the athletic field.

With only three boys graduating, prospects for future years look very bright.

The following boys are lost through graduation: Robert Beidleman, Gordon Brensinger, and Willard Giering, Captain.

Cheerleaders

These trim young girls played a major part in all our athletic contests. They did not participate in the games but they did develop enthusiasm among the spectators and inspired the team by leading the fans in the school yells

The squad, under the guidance of Mr. Frantz, is composed of Junior and Senior girls. They were out-fitted in attractive green and gold uniforms with megaphones to match. The Senior girls are: Carolyn Chihul, Faye Feather, and Miriam Ruch. The Juniors are: Alice Mehi, Betty Rauch, and Kathryn Wieder, with Mary Vetrosky acting as substitute

The girls, at the end of their senior year, are awarded a six-inch chenille letter in recognition of their valuable services

The School Paper

"A nation is free only as long as its press is free"; following this motto, members of the Journalistic Club were allowed to use their own discretion as to the content in terms of the school paper.

The Tattler, a monthly publication, consisting of four pages was printed throughout the school year. It was devoted to news about school activities, feature articles, alumni news, humor columns, editorials, and gossip about the students.

Our paper, and club which meets weekly is sponsored by Mr. Frantz, while Mr. Benfield serves as adviser on copy material.

The objective is to publish news accurately, honestly, and intelligently. We serve as the eyes and voice of the student body. At all times we strive to reflect the students' thoughts and activities fairly and impartially.

Although we do not have a Journalistic Course in our high school, the members of the staff learned by actual writing just how and what to write. Henry Justin Smith, a teacher at the time proclaimed that the only way to learn to write is to write. By writing everything, and anything, we became proficient in writing copy for the paper.

The seniors of the club took part in the Five County Scholastic Press Conference at St. Louis River in October. At this meeting, faculty advisers and members of student publications exchanged ideas and discussed several publications in a constructive manner.

The Yearbook

To publish the yearbook, twenty-one members of the senior class were chosen from a large group of volunteers. These talented students were selected by the senior class officers, and the senior members of the Journalistic Club.

After the staff was organized, the first objective was to award the engraving and printing contracts. Miers B. L. of the C. V. T. Ale Co. was awarded the printing contract while the Printers, Inc., of the Electro-type Company of Chicago was awarded the engraving contract. Calvin Studio at 617 Linden Street, Allentown, handled the photographic work of the groups, while James Koch, a senior, handled the informal photographic work of the teachers and students. Mr. Frantz served as adviser and directed the staff in its work.

In order to publish the Tattler many staff members were obligated to work many hours after school, and voluntarily discontinued other extra-curricular activities. The staff was divided into many units, each of which had its own special functions in the preparation of the yearbook.

"Don't Take My Penny"

"Don't Take My Penny," a three act comedy, was presented by the Senior Class on November 15. The play dealt with Penny who thought he was the ideal girl to be chosen to play the star role in the movie version of a popular novel. Some of her best friends posed as the author and his friends in order to find someone more suitable than Penny to play the role.

This play had everything; youth, charm, and funny incidents, which were enjoyed by both young and old.

"Life Begins at Sixteen"

The Senior Class presented their second play, "Life Begins At Sixteen," on April 4. The title of the play very readily suggests the contents. Young Paul Hollis, with the aid of his club, "The Secret Seven," attempts to modernize his father's store while his parents are away on a cruise. He also sets out to prove that his eldest sister's suitor, Crandal Smythe, is a cunning racketeer.

Hilarious complications follow as the parents return unexpectedly from their cruise. Events reveal that Mr. Smythe is a forger and that Paul's renovation of the store is Mr. Hollis's good fortune.

Boys' Glee Club

A group of boys, who met every two weeks, on a Wednesday, for one hour rehearsals, comprised this year's Boys' Glee Club.

The boys took part in the operetta "Tune In", and in the music concert in May. The club also participated in various assembly programs. Although the club was very small they accomplished a great deal during the year.

Debating

This club likes to take part in an intellectual activity in which students may compete with rivals from neighboring schools. Members of the club hope to acquire skill in the use of language, poise, and confidence.

Great questions of the day are of interest to members, and ability to discuss one or more of them with intelligence, is their aim. The question they debated this year was Resolved- That the power of the federal government should be increased.

Senior Quartet

This group of senior boys was organized in October. After holding many rehearsals, they soon became proficient with a large number of selections. After some time, they were in great demand throughout the locality. Some of their engagements were: Senior Class Plays; High School Operetta, various Churches; Municipal Opera Company; Rotary Club; Ladies Auxiliary; Legion; Women's Christian Organization; and Peter's Studio. They also sang at various hospitals and other institutions during the Christmas season.

The boys received their greatest honor when they were chosen to sing with the Pennsylvania School Music Association Chorus on January 11 and 12. Two members of the quartet, Wayne Burto and Gordon Bremer, were present with the Pennsylvania All State Chorus at Carlisle, Pennsylvania.

KEEP AT IT

It's a long way to reach the top,
Keep at it.
It's a long road and never stops,
Keep at it.
Success is not to be the hill
But the goal's not hopeless, till
You let failure crush your will
Keep at it — Detroit Free Press

The Trouble begins at the bottom. The young man entering business, with his living to earn and his way to make, must save every penny, live narrowly, and avoid display, if he wishes to succeed.

Open a bank account. Deposit so much every week. Keep this up and success will be yours.
